## Week 8 at Stedham

It was lovely to see the children return to school after a fun half term.

What a busy week we've had at Stedham. Swimming has started for Foxes class, which was enjoyed by all. I was really impressed to hear that many children, who expressed nerves before the session, shared how much they enjoyed it afterwards.

We have enjoyed daily morning assemblies this week with many discussions about Cop26 and climate change. The children have shown how passionate they are about our protecting our planet. They have learnt how everyone can make a difference to the climate by making small changes. I apologise now if the children remind you to reuse plastic shopping bags, drive less or take shorter showers!

The children now have a much improved understanding about their carbon footprint and how our lifestyle has an impact on the environment.

The children have another busy week ahead of them: The theme of assemblies fits in with Anti-bullying week and we have some Foxes representing the school in a 'Quick Sticks' hockey match next Friday. On top of that we have Remembrance Day on Thursday and World Friendship Day on Friday.

Have a great weekend,

Malcolm Meaby

Don't forget to follow the school on Facebook and Twitter:

| 10/12/2021 | Christmas Jumper day.                     |
| 14/12/2021 | Nativity service at Stedham               |

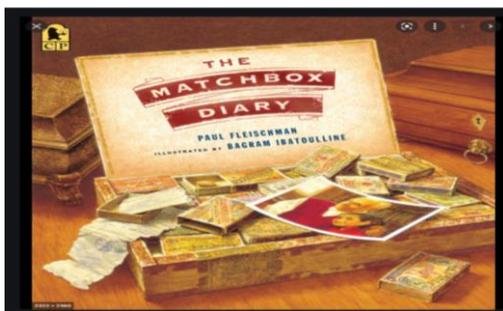

### Child voice!

*"I have enjoyed coding and acting. It was hilarious when Ava ordered 100 pizzas in our drama role play"*

# What's happened this week?

## Rabbits Class

This week Rabbits class have been enjoying their learning zones in class and have particularly loved playing with 'Lentil City' and designing road signs linked to their topic. The children had a fantastic forest school session on Thursday and have learnt lots of new skills through Mr Noble.

## Hedgehogs Class

This week Hedgehogs have been continuing their literacy lessons on The Matchbox Diary. There has been some lovely writing as a result. They have enjoyed writing acrostic poems on fireworks and making posters on Divali

## Foxes Class

Foxes have had an exciting week learning new skills with coding. The children improved their understanding enough to create a cute pig using simple codes. It was really impressive! Foxes have continued with their fractions and have enjoyed playing dodge ball and quick sticks hockey.

## Phonics Bug Club!

Don't forget to access Phonics Bug Club, to support your child with reading at home.

## Times Table Rockstars and Numbots!

We also have access to TTRockstars and Numbots, so the children can practice their times tables, subitizing and numberbonds.
