Newsletter

March 2023

Dear Parents,

What a delight it has been to see all of the children working so hard this term. The pupils have been engaged and excited by their topic Superheroes – “What does it take to become a superhero?”

On Wednesday 25th January, Stedham had a visit from Ofsted. Although it was not unexpected, it required a considerable amount of effort from all the teaching staff to share all the areas of development that have been our focus. I would like to thank the school community for their support. We were very happy with the positive comments shared.

The school has continued to make further improvements with the boys’ and girls’ toilets having had a complete refurbishment, a new stock of books has been bought with money from the Scholastic book fair and further PE and playtime equipment has been bought to update our stock.

It has been such a busy and fun term with some fantastic enriching experiences. FOSS have continued to deliver memorable moments such as the Valentines Disco, the Mother’s Day gift sale and the Easter Egg hunt.

Other school highlights include: the RV Arts Festival where our Stedham Starlets delivered a ‘spine tingling’ song and dance; the many sporting achievements in netball, rugby, quad athletics and cross country; the Science Boffin Day, World Book Day and the FOSS Pub Quiz for parents. The children have captured the best bits of this term in their ‘Fun Times’ children’s newsletter.

We now have a very full and exciting summer term to look forward to. Please take special note of all the dates listed, especially the INSET day on Monday 17th April.

I would like to wish all our Stedham community a wonderful Easter break. We look forward to seeing you all next summer term. Go easy on the chocolate and have fun!

Best wishes

Malcolm Meaby

Dates for your diary
