Week 9 at Stedham

Another busy week at Stedham with assemblies dedicated to Anti-Bullying week and a special Remembrance event on Thursday. Thanks to our readers Jacob, Olivia and Bethany who read beautifully.

It was lovely to have John, an ex-pupil who is also a war veteran, drop by and share some of his stories of being at Stedham Primary during the war. The children were fascinated to hear that, during an air raid, his class had to put on their gas masks and take refuge in the air raid shelter which was positioned next to the hut. We could have asked questions all day!

Congratulations to those children who took part in the hockey tournament at MRC.

Next week should be an eventful week with Mr Noble returning to teach Hedgehogs. It will be great to have him back. The children are also excited about planning a fun 'Children in Need' Day on Friday. More details on this will follow next week.

Dates for your diary

| | |
|------------|-----------------------------|
| 19/11/21 | Children in Need Day |
| 10/12/2021 | Christmas Jumper day. |
| 14/12/2021 | Nativity service at Stedham |

Congratulations!

In our Friday assembly we celebrated the achievements of the following 'Stars of the Week':

William Puttock
Matthew Puttock
Bethany Rhodes

Have a great weekend,

Malcolm Meaby

Don't forget to follow the school on Facebook and Twitter:

What's happened this week?

Rabbits Class

This week Rabbits class have been enjoying learning to count one more and one less / 2 more and 2 less. It was lovely to see the children jump on the chalk numberline in the EYFS outside area. They have loved their new text: 'Naughty Bus' and have written sentences using 'and' and 'but'.

Hedgehogs Class

This week Hedgehogs have been continuing their literacy lessons on The Matchbox Diary. They have made a beautiful treasure box which links to the class text. In science they have been learning about the bones in our body by labelling a skeleton.

Foxes Class

Foxes have had an exciting week learning how to simplify fractions. The class quickly realised that a good knowledge of timestables was important to master fractions. Don't forget to keep practicing at home using Times Tables Rockstars. They made a very creative window poppy display which was admired by John.

$$\frac{6}{12} \div 6 = \frac{1}{2} \div 6$$

Phonics Bug Club!

Don't forget to access Phonics Bug Club, to support your child with reading at home.

Times Table Rockstars and Numbots!

We also have access to TTRockstars and Numbots, so the children can practice their times tables and numberbonds.
