

Federation Aims

General

Everyone within our Federation is committed to ensuring a creative, lively, stimulating and hard-working learning environment. Where all within the school community are nurtured and encouraged to reach their full potential.

Specific Aims

- Ensure that the children receive their education from high quality staff.
- Foster a safe, caring and happy atmosphere for learning.
- Encourage all members of school, children and adults, to have high expectations of themselves and each other.
- Implement a Curriculum that inspires and prepares children for their futures.
- Instil in children self-belief, self-confidence and independence.
- Develop the children's understanding and respect for the world's diversity.
- Support all parents and carers in assisting the children on their learning journey.
- Establish the Federation as a vital component in the lives of each incorporated community.
